Q3 2026

Business Parks to Fuel Tomorrow's Economy

LINK Parks

Link Parks is the business park division of Link Logistics, North America's leading industrial real estate platform.

Our Differentiated Approach to Serve Customers

01 On the ground teams with local operating expertise located in each of our markets

02 Implementing emerging technology to lower operating costs and improve property sustainability

03 Positioning customers to focus on their business—let us handle the real estate
